How to use

1. Print at 100% scale on paper or light cardstock. Check the 1 inch bar below.
2. Cut along the solid gray line, including the white tabs.
3. Place the piece on the doll. Fold each tab back where it meets the edge of the doll's hair — anywhere between the two dashed guides.

Made for girl dolls (PDW Body V1): Amara, Coral, Hazel, Juniper, Mina, Priya, Winnie. It does not fit other body types.
